SHAILESH JEJURIKAR, INCOMING CEO, P&G

Head boy becomes CEO

P&G'S NEW CORNER OFFICE OCCUPANT WILL STEER THE FIRM THROUGH A DIFFICULT PERIOD

VIVEAT SUSAN PINTO

SHAILESH JEJURIKAR, Procter & Gamble's incoming president & CEO, learnt important lessons in leadership as head boy of his school in Hyderabad in the early 1980s. Giving a patient ear to classmates and teachers as a senior prefect, leading by example rather than rules, and devoting time to both study and play (he was an avid cricketer as well as a bright student) were key takeaways that Jejurikar would apply later in life.

As the IIM-Lucknow alumnus gears up to lead a 187-year-old American company — the first Asian and Indian to do so — he will need to draw upon his varied learnings. Jejurikar, whose world view has been shaped by degrees in liberal economics and management, is also among the few chief executives in America Inc, whose education has been entirely in India. His success, say industry executives, has been achieved by dint of hard work, curiosity and passion as he worked his way up the corporate ladder over 36 years in P&G. "When you unlock an insight with curiosity, the power to drive limitless growth is huge," he said in a P&G Alumni Podcast in 2023.

The Cincinnati-based P&G is going through a difficult period at the moment as it navigates tariff-related uncertainties as well as slow-down concerns. On Tuesday, even as Jejurikar's appointment was celebrated in his home country India, P&G

said that it would need to raise prices on a quarter of the goods it sells in the United States, its largest market, starting August. That is expected to slow down sales even further for the global major, which cut its annual sales forecast for fiscal year 2026 to between 1% and 5% recently. The company projected earnings growth to be flat at 4% during the period.

In his new role, Jejurikar will have the tough task of steering P&G through the restructuring exercise it will undertake over the next two years. The company plans to cut almost 7,000 non-manufacturing jobs and exit select product categories and brands as it looks to get leaner and fitter in a world where consumers are opting for D2C brands at the upper end and regional brands at the lower end of the market.

India, amongst P&G's top 10 core markets, is just 2.5% of its global revenue and less than a third of the size of rival

Unilever's Indian unit (Hindustan Unilever). Jejurikar needs to take a relook at P&G's strategy in the country he visits at least three times a year as he seeks to scale up revenue and operations, sector experts said.

Jejurikar, who turns 59 in October, is no stranger to challenges, having travelled from

India to Africa, South East Asia to Australia and North America in a series of leadership roles, covering categories from health care to skin care, fabric care to home care at P&G. He's had to evolve at every stage of his corporate career, he once admitted. He is currently COO of the company with profit and loss responsibilities for markets across Latin America, India, West Asia,

Africa, Southeast Asia and Eastern Europe. He leads information technology, sales, marketing, purchase, manufacturing and distribution among other operations.

In a media interaction on Tuesday, outgoing

CEO Jon Moeller, who will take over as executive chairman of the company, effective January 1, 2026, said that P&G was in "very good hands" with Jejurikar at the helm, having had a strong track record of delivering profitable growth. People who've known Jejurikar describe him as a man who is constantly pushing the bar for himself. Within seven years of joining P&G in 1989 as assistant brand manager, Jejurikar took up his first expatriate assignment at the firm as marketing manager for East Africa. That was 1996. The role would see a young Jejurikar, all of 30 years, shift to Nairobi in Kenya, with family in tow and dreams of making it big as an expat executive.

In the P&G Alumni podcast, Jejurikar admitted that the experience was "liberating". He navigated the challenges of adjusting to a different country and culture, being the only decision-maker in a largely flat organisation. He also had the opportunity to see first-hand both plant and office operations, since the factory, warehouse and sales office were located in the same premises.

"It was like working in a start-up, where the buck stopped with you. I could recognise my strengths and play to those attributes. I could basically be me," he said. That need to be himself has driven Jejurikar through his years since at P&G. The journey of liberation continues to this day.

Retail leasing in malls rises 69%: JLL

LEASING OF RETAIL spaces in shopping malls and high streets rose 69% to 5.7 million sq ft in the January-June period across seven major cities on better demand from both domestic and foreign retailers, according to JLL India.

New supply of retail spaces more than doubles to 2.3 million sq ft during the first six months of this calendar year from 0.9 million sq ft in the corresponding period of 2024 across seven cities — Delhi-NCR, Bengaluru, Chennai, Hyderabad, Kolkata, Mumbai, and Pune, real estate consul-

JLL India projected that the leasing of retail spaces might cross 10 million sq ft in 2025

tant JLL India said in a statement on Wednesday.

"Interestingly, the first half of 2025 has already achieved 70% of last year's annual leasing volume, which stood at 8.1 million sq ft," it added.

JLL India projected that the leasing of retail spaces might cross 10 million sq ft in the 2025 calendar year, with 5.9

million sq ft of new supply expected to be operational in the second half of this year.

"India's strategic position for retail expansion is evidenced by international brand entry more than doubling year-on-year in H1 2025, driven by the perfect confluence of young demographics, rising disposable incomes, and premium consumption preferences that are particularly attractive in the current global economic landscape," said Rahul Arora, head-office leasing & retail services, senior managing director (Karnataka,

Kerala), India at JLL.

Abhishek Trehan, executive director of realty firm Trehan Iris, said India's retail leasing sector is experiencing robust growth, fuelled by strong consumer sentiment, the expansion of organised retail, and rising demand for experiential shopping destinations.

"Both domestic and international brands are actively seeking premium, well-located spaces in malls and on high streets — underscoring their confidence in India's consumption story," Trehan said.

Indo-US space pact takes flight with success of NISAR

ISRO's launch vehicle GSLV-F16 carrying the NISAR earth observation satellite lifts off from the Satish Dhawan Space Centre, in Sriharikota, Andhra Pradesh, on Wednesday

S VIJAY KARTHIK
Sriharikota (Andhra Pradesh), July 30

INDIA AND THE US on Wednesday marked their maiden space collaboration with the successful flight of a GSLV rocket that placed an earth observation satellite, jointly developed by the two space agencies, in a precise orbit.

ISRO's GSLV-F16 injected NISAR--NASA-ISRO Synthetic Aperture Radar satellite, into the intended Sun Synchronous Polar Orbit (SSPO), after a flight of about 19 minutes and around 745 km.

GSLV "successfully injected NISAR in designated orbit," ISRO said.

Wednesday's accomplishment follows the unsuccessful PSLV-C61/EOS-09 Mission on May 18, where a faulty PSLV of ISRO failed to deliver the earth observation satellite in the desired orbit.

After successfully launching similar satellites--ResourceSat and RISAT series which were operationally

focused on India, ISRO through the NISAR mission is embarking on a journey to study planet Earth.

At the end of the 27.30 hour countdown, the 51.7 metre tall launch vehicle carrying the 2,393 kg satellite majestically lifted-off from the second launch pad at the Satish Dhawan Space Centre, here, situated about 135 km east of Chennai at a prefixed time of 5.40 pm on Wednesday.

Post the separation from the rocket, the scientists would embark on commissioning the satellite which would take "several days" to position it and meet the mission objectives.

According to ISRO, the S-band Radar system, data handling and high-speed downlink system, the spacecraft and the launch system are developed by the national space agency. The L-band Radar system, high speed downlink system, the Solid State Recorder, GPS receiver, the 9m Boom hoisting the 12m reflector are delivered by NASA.

जेवणापूर्वी पाणी पिणे लाभदायी

जेवणापूर्वी एक ग्लास पाणी प्यायल्यास पचनक्रिया सुरूवीत राहतेच शिवाय ग्लुकोजचे शोषणही मंदावते. त्यामुळे जेवणानंतरची रक्तातील साखर नियंत्रित ठेवण्यास मदत मिळू शकते, असे काही आरोग्यतज्ज्ञ सांगतात, तर दुसरीकडे जरी हायड्रेशन (‘पाणी पुरेसे पिणे’) आरोग्यासाठी आवश्यक असले तरी पाणी पिण्याची वेळ रक्तातील साखरेच्या नियंत्रणावर फारसा परिणाम करत नाही, असे काही तज्ज्ञांचे मत आहे.

जेवणापूर्वी पाणी प्यायल्याने रक्तातील साखरेत होणारी वाढ कमी होऊ शकते, विशेषतः

इन्सुलिन प्रतिकार असलेल्या व्यक्तींना जेवणापूर्वी पाणी प्यायल्याचा अधिक फायदा होतो. या गटासाठी रक्तातील साखरेतील चढ-उतार नियंत्रित ठेवणे अत्यंत गरजेचे असते, जेणेकरून भविष्यातील गुंतागुंत टाळता येईल. पाणी प्यायल्याने कॅलरीचे प्रमाण कमी होऊ शकते आणि ग्लुकोज शोषणाची गती मंदावते.

आरोग्य तज्ज्ञ सांगतात, ज्यांचे वजन जास्त आहे किंवा ज्यांना मेटाबॉलिक सिंड्रोम आहे, त्यांनाही याचा फायदा होऊ शकतो, कारण पाण्यामुळे साखरयुक्त पेयांना पर्याय मिळतो आणि वजन नियंत्रणात राहते. मात्र, ज्यांना किडनी किंवा हृदयविकाराचा त्रास आहे, त्यांनी पाण्याचे प्रमाण वाढवण्याआधी डॉक्टरांचा सल्ला घ्यावा.

खराडी पार्टीची चित्रफीत कोणी प्रसारित केली?

रोहिणी खडसे यांचा सवाल; पोलीस आयुक्तांशी भेट

लोकसत्ता प्रतिनिधी

पुणे : खराडी येथील पार्टीवर पोलिसांनी छापा टाकल्याची संपूर्ण कारवाई संशयास्पद आहे. याबाबतचे चित्रीकरण, तसेच छायाचित्रे कोणी प्रसारित केली, याबाबतचाच सखोल तपास व्हावा, अशी मागणी राष्ट्रवादी महिला काँग्रेसच्या (शरद पवार) प्रदेशाध्यक्ष रोहिणी खडसे यांनी बुधवारी केली. खडसे यांनी पोलीस आयुक्त अमितेश कुमार यांची भेट घेतली. त्यांच्याकडे तक्रार अर्जही दिला.

खराडी पार्टी प्रकरणामध्ये खडसे यांचे पती डॉ. प्रांजल खेवलकर यांच्यासह सात जणांना पोलिसांनी अटक केली आहे. या प्रकरणात दोन तरुणींचा समावेश आहे. या पार्टीमध्ये कोकेन, गांजासहस्र अमली पदार्थ जप्त करण्यात आले आहेत. संबंधित अमली पदार्थ, आरोपीचे रक्त, लघवीचे नमुने न्यायवैद्यकीय प्रयोगशाळेत तपासणीसाठी पाठविण्यात आले

आहेत. याबाबतचा अहवाल अद्याप पोलिसांना मिळालेला नाही. डॉ. खेवलकर यांना या प्रकरणात गोवण्यात आले आहे, असा आरोप राष्ट्रवादी काँग्रेस पक्षाचे (शरद पवार) नेते माजी मंत्री एकनाथ खडसे यांनी केला आहे.

रोहिणी खडसे यांनी सोमवारी (२८ जुलै) रात्री गुन्हे शाखेचे पोलीस उपायुक्त निखिल पिंगळे यांची भेट घेऊन पारदर्शकपणे तपास करण्याची विनंती केली. त्यानंतर खडसे यांनी बुधवारी पोलीस आयुक्त अमितेशकुमार यांची भेट घेऊन त्यांच्याकडे तक्रार अर्ज दिला.

‘डॉ. खेवलकर यांची अन्य आरोपींची ओळख पूर्वीपासून नव्हती. पार्टीमध्ये उपस्थित असलेले दोन जण अनाहूत होते. तेथे आलेल्या दोन तरुणींचा पार्टीतील सहभाग अत्यंत संशयास्पद आहे. या तरुणींना अन्य कोणीतरी तेथे पाठवले होते. त्या आल्यानंतर काही वेळातच पोलिसांनी छाप

टाकला. त्यावेळी पोलिसांनी तपासणी करण्यापूर्वीच या तरुणींनी पर्समधील अमली पदार्थ काढून पोलिसांच्या हवाली करणे हे अतिशय संशयास्पद आहे. डॉ. खेवलकर यांचा मोबाइल संच पोलिसांच्या ताब्यात आहे. त्यातील छायाचित्रे आणि चित्रफीत जळगवामधील आमदाराने प्रसारित कशी केली, पहाटे चारच्या सुमारास डॉ. खेवलकर यांचे ‘लोकेशन’ कसे मिळाले,’ असे प्रश्न खडसे यांनी उपस्थित केले.

पार्टीवर पोलिसांनी छाप टाकला. त्या वेळी पोलीस उपस्थित होते. तेथील छायाचित्रे आणि चित्रफीत कोणी प्रसारित केली, याची सखोल चौकशी व्हावी, अशी मागणी खडसे यांनी केली आहे.

‘त्या तिघींचा पार्टीशी संबंध नाही’

पुणे : खराडीतील ज्या हॉटेलमध्ये पार्टी झाली होती. त्या हॉटेलच्या परिसरात संशयास्पदरीत्या फिरणाऱ्या तीन तरुणींचा प्रत्यक्ष पार्टीशी कोणताही संबंध नव्हता, अशी माहिती समोर आली. खराडी पार्टी प्रकरणात सुरुवातीला हॉटेलच्या परिसरात संशयास्पद फिरणाऱ्या तीन तरुणी पोलिसांची चाहूल लागताच पसार झाल्या होत्या, असा दावा करण्यात आला होता. पोलीस सूत्रांनी ही माहिती दिली. खराडीतील हॉटेलमधील खोली

डॉ. प्रांजल खेवलकर यांच्या नावे आरक्षित करण्यात आली होती. या प्रकरणात डॉ. खेवलकर यांच्यासह सात जणांना अटक करण्यात आली होती. अटक करण्यात आलेल्या आरोपींमध्ये दोन तरुणींचा समावेश आहे. या दरम्यान हॉटेलच्या परिसरात तीन तरुणी संशयास्पदरीत्या फिरत असल्याचा दावा करण्यात आला होता. मात्र, तपासात त्या तरुणींचा पार्टीशी संबंध नसल्याचे उघडकीस आल्याचे सूत्रांनी सांगितले.
